Comp (reported) is the figure on each organization's Form 990 (columns D + F); **Comp (adjusted)** normalizes it to FL cost of living and 2024 dollars. Click any organization to verify the figure on ProPublica.

■ Methodology

Comparable organizations were drawn from electronically filed IRS Form 990 returns and matched on sector (NTEE code), budget (a size-adaptive revenue band that tightens as the organization grows), and geography (same-state first, broadening only when too few peers qualify); every organization within the band forms the peer set. To compare fairly across regions and years, peer compensation is normalized to FL cost of living (BEA Regional Price Parities, 2023) and to the subject's filing year (CPI-U). The figure benchmarked is Form 990 Part VII, Section A, columns D + F — reportable pay plus other compensation, benefits, and deferred amounts (column F may include amounts from related organizations) — with the chief executive matched by role. Related-organization amounts (column E) and institutional trustees are excluded. Full methodology: peerbasis.org/methodology.

■ Sample, role match & sensitivity

PEER COUNT **1149** organizations. Compensation range \$1–\$361,375; filing years 2022–2025.

SIZE BASIS	Matched on total revenue (\$249,960); for reference, expenses \$219,042 and assets \$873,799.
ROLE MATCH	Noel Yee, reported title " <i>Director</i> ", benchmarked as Executive Director / CEO. Selected as the organization's highest-paid individual without an exact title match — the board should confirm this is a comparable role.
RELATED-ORG PAY	27 peers report related-organization compensation (column E), which the D + F benchmark does not fully capture; review where material.
OUTLIERS	14 peers fall outside 1.5× the interquartile range — consider whether any reflect one-time payments (severance, deferred-comp payouts).

Sensitivity — the subject's percentile under alternative compensation definitions:

BASIS	SUBJECT PERCENTILE
Total compensation (D + F), cost-of-living + inflation adjusted — the PeerBasis default	12 th
Total compensation (D + F), as reported (no adjustments)	12 th
Reportable pay only (column D), adjusted	14 th
All sources (D + E + F), adjusted	12 th

If the percentile moves materially across these definitions, the result is sensitive to methodology choices, and the board should weigh which basis best fits its facts.

● Rebuttable presumption of reasonableness • 26 CFR 53.4958-6

Compensation paid by a tax-exempt organization is presumed reasonable — shifting the burden to the IRS — when three requirements are met. This report supplies the comparability data for the second. The board should record the following in its minutes *concurrently* with its decision:

Draft board minutes – executive compensation

1. The compensation of the Executive Director / CEO (Noel Yee) was approved in advance by [the Board / Compensation Committee], composed of members with no conflict of interest with respect to the arrangement.
2. Prior to its determination, the authorized body obtained and relied upon appropriate comparability data, namely the PeerBasis Compensation Comparability Determination dated June 9, 2026, comparing compensation against 1149 similarly situated organizations (Same NTEE major group (N), nationwide + budget 0.67–1.5× revenue).
3. The authorized body determined that total compensation of \$3,500 is reasonable (approximately the 12th percentile of comparable organizations) and documented the basis for this determination concurrently, on [date], by a vote of [__ for / __ against].
