

Rocket Innovations Corp

Executive Director / CEO

EIN 205015970

OH · NTEE W02

FY ending 2024-06-30

June 9, 2026

This analysis benchmarks the total compensation of **Norman Rapino, Executive Director / CEO** (\$31,146) against **every comparable organization** that fit the selection criteria — **2** in total — drawn systematically from IRS Form 990 filings, not a hand-picked subset.

Compensation sits at approximately the **50th** percentile of comparable organizations within the typical range

Benchmarked executive: Norman Rapino — reported title “EXECUTIVE DIRECTOR”, a **direct title match** to the Executive Director / CEO role.

Note: fewer than five comparables were available in this dataset (below PeerBasis's internal minimum; the 26 CFR 53.4958-6 small-organization rule involves three). Broaden the data window before relying on this determination.

How comparable organizations were selected

SECTOR	Organizations sharing the subject's NTEE classification (W02).	
BUDGET	Total revenue between \$1,358 and \$5,432 — 0.50x to 2.00x the subject's \$2,716 (the band tightens as size grows).	
GEOGRAPHY	Same NTEE major group (W), nationwide + budget 0.5–2x revenue.	
	2 organizations qualified on sector, size, and geography	→ 2 within the band form the benchmarked peer set.

Distribution of comparable compensation

Comparable organizations

Each figure is Form 990 Part VII columns D + F (reportable pay plus other compensation and benefits; column F may include amounts from related organizations), normalized to OH cost of living (BEA RPP, 2023) and to its filing year (CPI-U); the reported amount is on each linked 990.

ORGANIZATION	STATE	REVENUE	MATCHED TITLE	COMP (REPORTED)	COMP (ADJUSTED)	FY
Edvantage Corporation	SC	\$3,000	President & Ceo, Secretary	\$49,253	\$48,513	2024
Lewis Ayoung Vfwpost # 3152 Inc	MA	\$1,634	Adjutant	\$1,000	\$848	2024

Comp (reported) is the figure on each organization's Form 990 (columns D + F); **Comp (adjusted)** normalizes it to OH cost of living and 2024 dollars. Click any organization to verify the figure on ProPublica.

Methodology

Comparable organizations were drawn from electronically filed IRS Form 990 returns and matched on sector (NTEE code), budget (a size-adaptive revenue band that tightens as the organization grows), and geography (same-state first, broadening only when too few peers qualify); every organization within the band forms the peer set. To compare fairly across regions and years, peer compensation is normalized to OH cost of living (BEA Regional Price Parities, 2023) and to the subject's filing year (CPI-U). The figure benchmarked is Form 990 Part VII, Section A, columns D + F — reportable pay plus other compensation, benefits, and deferred amounts (column F may include amounts from related organizations) — with the chief executive matched by role. Related-organization amounts (column E) and institutional trustees are excluded. Full methodology: peerbasis.org/methodology.

Sample, role match & sensitivity

PEER COUNT	2 organizations — below 15; treat the percentiles as indicative, not precise. Compensation range \$848–\$48,513; filing years 2024.
SIZE BASIS	Matched on total revenue (\$2,716); for reference, expenses \$110,813 and assets \$2,230,921. Revenue and expenses diverge this year — revenue may misrepresent operating size; weigh the expense-based view.
ROLE MATCH	Norman Rapino, reported title <i>"EXECUTIVE DIRECTOR"</i> , benchmarked as Executive Director / CEO. The title maps directly to this role.
RELATED-ORG PAY	1 peer report related-organization compensation (column E), which the D + F benchmark does not fully capture; review where material.

Sensitivity — the subject's percentile under alternative compensation definitions:

BASIS	SUBJECT PERCENTILE
Total compensation (D + F), cost-of-living + inflation adjusted — the PeerBasis default	50th

BASIS	SUBJECT PERCENTILE
Total compensation (D + F), as reported (no adjustments)	50 th
Reportable pay only (column D), adjusted	100 th
All sources (D + E + F), adjusted	50 th

If the percentile moves materially across these definitions, the result is sensitive to methodology choices, and the board should weigh which basis best fits its facts.

● Rebuttable presumption of reasonableness · 26 CFR 53.4958-6

Compensation paid by a tax-exempt organization is presumed reasonable — shifting the burden to the IRS — when three requirements are met. This report supplies the comparability data for the second. The board should record the following in its minutes *concurrently* with its decision:

Draft board minutes – executive compensation

1. The compensation of the Executive Director / CEO (Norman Rapino) was approved in advance by [the Board / Compensation Committee], composed of members with no conflict of interest with respect to the arrangement.
2. Prior to its determination, the authorized body obtained and relied upon appropriate comparability data, namely the PeerBasis Compensation Comparability Determination dated June 9, 2026, comparing compensation against 2 similarly situated organizations (Same NTEE major group (W), nationwide + budget 0.5–2× revenue).
3. The authorized body determined that total compensation of \$31,146 is reasonable (approximately the 50th percentile of comparable organizations) and documented the basis for this determination concurrently, on [date], by a vote of [__ for / __ against].
